Watch Over Her Olivia Stephen 2018-06-24 From debut author, Olivia Stephen, comes a steamy, contemporary romance novel about loss, love, and second chances. When her first love abandons her, and a heart-wrenching accident takes her parents too soon, Raina decides it's time for a fresh start. In a brand new town, with walls planted firmly around her heart,

Raina has given up on her happily ever after, deciding it's easier to be alone than to risk losing it all. For a second time. When she meets Zane, the new bartender in the small North Carolina town she now calls home, the foundation of those walls begins to crumble. Broody, irritable, and incredibly sexy, there's something about him she just can't shake. As they begin to forge a connection together, Zane's tumultuous past catches up with him and threatens to destroy any potential future they may have, leaving Raina to question all the decisions she's made. Watching over Raina is the hardest promise Zane has ever had to make. Sometimes love doesn't heal all wounds and not all happy endings are meant to be. But perhaps two tortured souls can find the peace they deserve, together. **Mature audiences. 18+

Clymer Yamaha YZ125-250; WR250Z, 1988-1993 Penton Staff 1994-01-01 With the help of the Clymer Yamaha YZ125-250; WR250Z, 1988-1993 Repair Manual in your toolbox, you will be able to maintain, service and repair your Yamaha YZ125-250 motorcycle built between 1988 and 1993, or your Yamaha WR250Z motorcycle built between 1991 and 1993 to extend its life for years to come.

Clymer manuals are very well known for their thorough and comprehensive nature. This manual is loaded with step-by-step procedures along with detailed photography, exploded views, charts and diagrams to enhance the steps associated with a

service or repair task. This Clymer manual is organized by subsystem, with procedures grouped together for specific topics, such as front suspension, brake system, engine and transmission. It includes color wiring diagrams. The language used in this Clymer repair manual is targeted toward the novice mechanic, but is also very valuable for the experienced mechanic. The service manual by Clymer is an authoritative piece of DIY literature and should provide you the confidence you need to get the job done and save money too.

Jesus and the Samurai

Michael Zomber 2009-11-05
By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow

man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith. Jesus and the Samurai tells their fascinating story with facts drawn from ancient and modern sources.
