Selected Plays of Dion Boucicault

Dion Boucicault 1987 Dion Boucicault was a prominent playwright and prolific translator and adapter of foreign plays and novels for the Victorian commercial theatre for over forty years. Born in Dublin, he

achieved his first West End success with *London Assurance* in 1841. His work frankly catered to contemporary taste and fell rapidly into neglect after his death in 1890. His lively observation of humanity in many moods and his unerring sense of what works on the stage have saved his plays from oblivion: there have been successful revivals in our own times by the Abbey Theatre, Dublin, Belfast's Lyric, and the Royal Shakespeare Company. The selection of his work in this volume stresses Boucicault's consummate craft as a writer for the theatre in the age of actor-managers and melodrama. It also reminds us of that Irish verve, charm and adroitness which made him the best playwright of his generation in England and America as well as Ireland. Arguably the father of both

the Irish and American drama, his characteristic plotting and taste for sensation suggest that another of his heirs was the early movie industry. This selection contains the great success of his youth, *London Assurance*, together with his Preface; his durable version of the melodrama, *The Corsican Brothers*; his exciting American plantation play, *The Octoroon*, with both its endings; and his fine Irish plays, *The Colleen Bawn*, *The Shaughraun*, and *Robert Emmet*. Dates of first performances and cast lists are given, as are the songs, music and a glossary for the Irish plays. There is also a selected bibliographical checklist. This selection of Boucicault's vast opus has been chosen and introduced by Professor Andrew Parkin. ABOUT THE EDITOR: Andrew Parkin teaches at the

University of British Columbia. He has edited The Canadian Journal of Irish Studies since 1975. His other publications include Stage One: A Canadian Scenebook, The Dramatic Imagination of W.B. Yeats, and many articles and book reviews. A volume of his poems will be published in Canada later this year.

The study analyzes expenditure changes in nine social policy areas between 1980 - 2010, from an intra-cabinet perspective by considering the partisan affiliation of responsible spending ministers and effects of budgeting reforms. Thus, the analysis contributes to the question of whether parties or institutions matter.
