Having a system you can use to help generate extra income can make a huge difference in so many people's lives, so I'm excited to put it out there. Everything in this book comes from what I have learned through trial and error and actually being in the business. Cleveland Williams *The Secrets of Car Flipping* is a very unique step by step guide that instructs on everything anyone would need to know for buying and selling used cars. This book teaches the reader where to find good used cars and alerts the reader of the dangers of buying from certain places, such as a car auction. Step by step, the reader will learn where to find cars, how to evaluate the condition of a car, how to determine how much the car is worth, and how to decide what one should pay for a car. This book is the ultimate guide for buying and selling used cars because it actually teaches the reader how to negotiate prices, gives the user sales strategies on how to get information from the seller about the car, and gives the reader tips on closing the deal. The second part of the book reverses this scenario and gives the reader step by step instructions on reselling the car and dressing the car for a buyer. The second part of the book also discusses how to advertise the car, deal with potential buyers, negotiate a price, and close the sale. This book has it all, and as a bonus, there are several secrets and tricks of the trade included. Along with giving the

readers warning signs, I have also included things the reader should look for, dos and donts when buying and selling a car, and sample forms like a bill of sale. This is the only book that I know of that supplies the reader with all this information.

Dirty Little Secrets Sharon Drew Morgen 2009-09-28 Sellers often don't close all of the sales they deserve to close. Why? The sales model itself fails to address the off-line issues buyers must manage before making a buying decision. Dirty Little Secrets takes the reader behind the scenes to understand how buyers buy, and offers tools to help them. Dirty Little Secrets exposes the problems with sales that have resulted in over 90% failure rates, and offers front-end decision facilitation tools to mitigate the failures.Until now, sales books have focused on helping buyers through the solution-placement end of the buying decision. No other book takes the seller through the behind-the-scenes issues that buyers must address before they get buy-in for a solution.This is not a sales book, but a sophisticated examination of systems, change, and decision making to help sellers close more, find more prospects, and greatly minimize the sales cycle. This book is essential for any serious student of sales.Do you want to sell? Or have someone buy?

Buying Styles Michael Wilkinson 2009 Most sales professionals spend all their time and energy trying to perfect their own style of selling. Yet they fail to recognize that buyers all have their own individual "buying styles.."and when sellers learn how to adapt their own methods to best suit each buying style, they can dramatically increase their success rate. Presented as a "learning adventure," "Buying Styles" begins with a fictional situation in which a salesperson has just lost a major sale...and decides to find out why. Readers are then brought along on an interactive lesson that shows them how to: - recognize the four key buying styles - understand what to do (and not to do) when selling to customers exhibiting each - quickly spot the tell-tale signs that they are using the wrong approach - gain the confidence of prospects - improve their relationships

with existing clients - develop a strategy for approaching new prospects - increase their chances of closing each and every sale This quick and easy read, packed with tips, checklists, and on-the-go references, unveils powerful new insights for successfully selling to anyone.

Success Secrets for Selling on EBay Christina Williams
2011-05-02 Ebay is a global marketplace where buying and selling of all types of goods and services take place round the clock. The fact is that a sale of any kind happens every second because you can sell just about anything in eBay. Maybe it takes the right product or service to sell successfully in eBay. It might also be that it takes hard work, strong commitment and an effective sales strategy. Many people have been known to become eBay powersellers. These innovative business people have started out small and grown their business by selling huge volumes of their products and services just by using eBay as their storefront. Their success secrets? Firstly, they made it a point to learn the many features, tools and resources of eBay. Then, they applied these uses methodically into their own business while learning over the years what works and what doesn't work for their own business. It is a painstaking process of trial and error until at last they found the right selling formula that works for them. In addition, these exceptionally successful businessmen and women constantly adapt to new developments in the marketing world so as to keep up with the times and remain relevant to their customers. Selling in eBay can certainly be a profitable venture for you as well. In time, you too can become an eBay powerseller just like the many successful eBay business owners. That is, if you commit to the same dedication and enthusiasm to learn the many functions of eBay and utilize its resources to your utmost advantage.
