*Journey of the Pink Dolphins* Sy Montgomery 2009-02-15 By the acclaimed author of *The Soul of an Octopus* and the bestselling memoir *The Good Good Pig*. When Sy Montgomery ventured into the Amazon to unlock the mysteries of the littleknown pink dolphins, she found ancient whales that plied the Amazon River at dawn and dusk, swam through treetops in flooded forests, and performed underwater ballets with their flexible bodies. But she soon found out that to know the botos, as the dolphins are locally called, you must also know the people who live among them. And so in *Journey of the Pink Dolphins*, Montgomery—part naturalist, part poet, part Indiana Jones—winds her way through watery tributaries and riverside villages, searching for botos and hearing the tales of locals who believe these ethereal dolphins are shape-shifters—creatures that emerge from the water as splendidly dressed men or women only to enchant their human onlookers, capture their souls, and then carry them away to the Encante, an underwater world. Montgomery takes readers on four separate journeys, exploring the river-dwelling dolphins’ natural history, chronicling their conservation pressures, unraveling their prehistoric roots, and visiting with shamans who delve into the Encante.

**Old Yeller** Fred Gipson 2009-08-18 A timeless American classic and one of the most beloved children’s books ever written, *Old Yeller* is a Newbery Honor Book that explores the poignant and unforgettable bond between a boy and the stray dog who becomes his loyal friend. When his father sets out on a cattle drive toward Kansas for the summer, fourteen-year-old Travis Coates is left to take care of his family and their farm. Living in Texas Hill Country during the 1860s, Travis comes to face new, unanticipated, and often perilous responsibilities in the frontier wilderness. A particular nuisance is a stray yellow dog that shows up one day and steals food from the family. But the big canine who Travis calls “Old Yeller” proves his worth by defending the family from danger. And Travis ultimately finds help and comfort in the courage and unwavering love of the dog who comes to be his very best friend. Fred Gipson’s novel is an eloquently simple story that is both exciting and deeply moving. It stands alongside works like *The Adventures of Huckleberry Finn*, *Where The Red Fern Grows*, and *Shiloh* as a beloved and enduring classic of literature. Originally published in 1956 to instant acclaim, *Old Yeller* later inspired a hit film from Walt Disney. Just as *Old Yeller* inevitably makes his way into the Coates family’s hearts, this book will find its own special place in readers’ hearts. **Social Work ASWB Masters Exam Guide** Dawn Apgar, PhD, LSW, ACSW 2015-05-11 “Dawn gave us the tools we needed to take the exam, and let me tell you - she was on point!
