An Empire for Slavery Randolph B. Campbell 1991-08-01 Because Texas emerged from the western frontier relatively late in the formation of the antebellum nation, it is frequently and incorrectly perceived as fundamentally western in its political and social orientation. In fact, most of the settlers of this region were emigrants from the South, and many of these people brought with them their slaves and all aspects of slavery as it had matured in their natives states. In An Empire for Slavery, Randolph B. Campbell examines slavery in the antebellum South's newest state and reveals how central slavery was to Texas history. The "peculiar institution" was perhaps the most important factor in determining the economic development and ideological orientation of the state in the years leading to the Civil War. Campbell points out that although the area of slaveholding in Texas covered only two-fifths of the state by 1860, this area alone was as large as Alabama and Mississippi combined and constituted "a virtual empire for slavery." By the outbreak of the Civil War, the proportion of slaveholders and slaves in Texas was comparable to that of Virginia, the oldest slaveholding state in the Union. Utilizing records such as federal censuses, wills and other probate papers, and the WPA slave narratives, Campbell raises a number of questions concerning the nature of slavery in Texas. What factors encouraged the adoption of slavery? Under what conditions did the Texas slaves exist? What was the societal impact of slavery in this new state? How did the Civil War itself affect slavery in the state? Campbell also reviews the proslavery argument put forward by many early Texas statesmen. What emerges is a picture of a state whose political future was sen as dependent upon the continuance of slavery and whose role in the Civil War was determined by this choice. As a result of this study, Texas is revealed as a state not unlike those of the older South. An Empire for Slavery is the first examination of the "peculiar institution" as it existed in Texas. Historians and general readers alike will find it an essential examination of the region, the period, and the phenomenon of slavery.

The Budget in Brief 1965

Justice Or Revenge Barney Smith 2021-03-17 A Motor Cycle Gang, in Orlando, is brought to the attention of law enforcement, after a gang member is murdered. The case is assigned to Homicide Detectives; Sergeant Jake Jacoby and his partner, Ed Rollins, of the Orange County Sheriff's Office. The investigation brings suspicion that the biker gang is involved in dealing drugs. An Organized Crime Family, from Philadelphia, becomes part of the investigation when they are suspected of being involved in Gambling, Loan Sharking and Money Laundering. The investigation takes another turn when it is discovered, a deputy sheriff is a true family member of this Crime Family. Significant issues are developed, identifying a connection of the two criminal groups. This results in investigators from several different investigative units being brought in to support the Homicide Unit. As a side note, readers will not be able to solve any murders until the investigators do.

The Daily Show (The Book) Chris Smith 2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Now in English, this is required reading for this and every Christmas. Truly delightful tales that inspire and help to make each Holiday Season truly special.

How the Word Is Passed Clint Smith 2021-06-01 Instant #1 New York Times Bestseller Winner of the National Book Critics Circle Award for Nonfiction Winner of the Stowe Prize Winner of 2022 Hillman Prize for Book Journalism PEN America 2022 John Kenneth Galbraith Award for Nonfiction Finalist A New York Times 10 Best Books of 2021 A Time 10 Best Nonfiction Books of 2021 Named a Best Book of 2021 by The New York Times, The Washington Post, The Boston Globe, The Economist, Smithsonian, Esquire, Entropy, The Christian Science Monitor, WBEZ's Nerdette Podcast, TeenVogue, GoodReads, SheReads, BookPage, Publishers Weekly, Kirkus, Fathom Magazine, the New York Public Library, and the Chicago Public Library One of GQ's 50 Best Books of Literary Journalism of the 21st Century Longlisted for the National Book Award Los Angeles Times, Best Nonfiction Gift One of President Obama's Favorite Books of 2021 This compelling #1 New York Times bestseller examines the legacy of slavery in America—and how both history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

Rush Kim Wozencraft 1991-01-01 The story of an undercover cop caught in a web of drug addiction and betrayal that became a bestselling sensation is now an explosive new movie from Paramount Pictures, starring Jennifer Jason Leigh, Jason Patric, and Sam Elliot and produced by the Zanuck Company.

Marilou Is Everywhere Sarah Elaine Smith 2020-07-28 Finalist for the L.A. Times Book Prize for First Fiction One of NPR's Favorite Books of 2019 A SKIMM READS PICK A BELLETRIST BOOK CLUB PICK "This novel reads like a miracle." –NPR Consumed by the longing for a different life, a teenager flees her family and carefully slips into another – replacing a girl whose own sudden disappearance still haunts the town. Fourteen-year-old Cindy and her two older brothers live in rural Pennsylvania, in a house with occasional electricity, two fierce dogs, one book, and a mother who comes and goes for months at a time. Deprived of adult supervision, the siblings rely on one another for nourishment of all kinds. As Cindy's brothers take on new responsibilities for her care, the shadow of danger looms larger and the status quo no longer seems tolerable. So when a glamorous teen from a more affluent, cultured home goes missing, Cindy escapes her own family's poverty and slips into the missing teen's life. As Jude Vanderjohn, Cindy is suddenly surrounded by books and art, by new foods and traditions, and most important, by a startling sense of possibility. In her borrowed life she also finds herself accepting the confused love of a mother who is constitutionally incapable of grasping what has happened to her real daughter. As Cindy experiences overwhelming maternal love for the first time, she must reckon with her own deceits and, in the process, learn what it means to be a daughter, a sister, and a neighbor. Marilou Is Everywhere is a powerful, propulsive portrait of an overlooked girl who finds for the first time that her choices matter.

Chasing Justice Kerry Max Cook 2007-02-27 America's longest-tenured death-row inmate to be freed after wrongful conviction describes the police and prosecutorial misconduct that led to his conviction for the 1977 murder of a young woman, his brutal experience behind bars before his 1999 DNA exoneration, and his subsequent work as an advocate for legal reform.

The New York Red Book 1897

Chasing Justice Kerry Max Cook 2008-03-11 Kerry Cook is an innocent man who wrongly served two decades in Texas's notorious death house for the brutal 1977 rape and murder of 21-year-old Linda Jo Edwards. His struggle for freedom is said to be one of the worst cases of police and prosecutorial misconduct in American history. In the summer of 1977, Cook was staying in Tyler, TX. He met an attractive young woman named Linda Edwards and was invited back to her apartment for a drink and left his fingerprints on the sliding glass door. Four days later, Ms. Edwards was found brutally murdered. When the police dusted for prints, they found Cook's and immediately arrested him. Edward Jackson testified that Cook confessed to the murder during a jailhouse conversation. Jackson was set free, only to kill again several years later. Cook, on the other hand, was convicted and sentenced to death. He was thrown into a world for which no one could be prepared, and he survived beatings, sexual abuse, and depression; all the while, he fought against a justice system that was determined to keep him quiet and loath to admit a mistake. Through the work of a crusading group of lawyers who forced a series of retrials, his case made its way to the U.S. Supreme Court, which ordered the case be reconsidered. It wasn't until the spring of 1999 that Cook was finally able to put the nightmare behind him: long-suppressed DNA evidence had linked James Mayfield, Linda Edwards's ex-lover, to the crime.

Notes from the Field Anna Deavere Smith 2019-05-21 "Smith's powerful style of living journalism uses the collective, cathartic nature of the theater to move us from despair toward hope." –The Village Voice Anna Deavere Smith's

extraordinary form of documentary theater shines a light on injustices by portraying the real-life people who have experienced them. "One of her most ambitious and powerful works on how matters of race continue to divide and enslave the nation" (Variety). Smith renders a host of figures who have lived and fought the system that pushes students of color out of the classroom and into prisons. (As Smith has put it: "Rich kids get mischief, poor kids get pathologized and incarcerated.") Using people's own words, culled from interviews and speeches, Smith depicts Rev. Jamal Harrison Bryant, who eulogized Freddie Gray; Niya Kenny, a high school student who confronted a violent police deputy; activist Bree Newsome, who took the Confederate flag down from the South Carolina State House grounds; and many others. Their voices bear powerful witness to a great iniquity of our time—and call us to action with their accounts of resistance and hope.

Cluster Suicides David Ellsworth, Ph.d. 2017-06-27 The media has chosen to call it "copycat suicides" but there appears to be a greater underlying cause for the phenomena of cluster suicides.

World War II Unknown David Ellsworth, Ph.d. 2016-06-26 Before it's forever lost to history, World War II Unknown is a final examination of the events, personalities, errors and intrigues of the world's greatest war.

Creamy & Crunchy Jon Krampner 2012-11-20 "A delightful book about America's most popular nut butter and sandwich spread . . . well-written, fast-paced, surprising."—Andrew F. Smith, editor in chief, The Oxford Encyclopedia of Food and Drink in America Americans spoon it out of the jar, eat it in sandwiches by itself or with its bread-fellow jelly, and devour it with foods ranging from celery and raisins ("ants on a log") to a grilled sandwich with bacon and bananas (the classic "Elvis"). Peanut butter is used to flavor candy, ice cream, cookies, cereal, and other foods. It is a deeply ingrained staple of American childhood. Along with cheeseburgers, fried chicken, chocolate chip cookies (and apple pie), peanut butter is a consummate comfort food. In Creamy and Crunchy are the stories of Jif, Skippy, Peter Pan; the plight of black peanut farmers; the resurgence of natural or old-fashioned peanut butter; the reasons why Americans like peanut butter better than (almost) anyone else; the five ways that today's product is different from the original; the role of peanut butter in fighting Third World hunger; and the Salmonella outbreaks of 2007 and 2009, which threatened peanut butter's sacred place in the American cupboard. To a surprising extent, the story of peanut butter is the story of twentieth-century America, and Jon Krampner writes its first popular history, rich with anecdotes and facts culled from interviews, research, travels in the peanut-growing regions of the South, personal stories, and recipes. "A witty, encyclopedic history of one of America's most iconic processed foods. It is chock-full of fun facts and surprising insights into the way we eat today."—Aaron Bobrow-Strain, author of White Bread: A Social History of the Store-Bought Loaf

Smith County Justice David Ellsworth 2014-02-16 Saul Sotow of the New York Daily Mirror called it "A masterpiece of investigative writing." Margaret Chase of the Newark Evening News said of Smith County Justice, "Not since In Cold Blood . . ." Master literary investigator David Ellsworth unravels the tale of corruption in a Texas county and in his usual style, names names and pulls out everything under the administrative rugs. The book was touted by television's 20/20, by 20th Century Fox, Stephen J. Cannell Productions and a host of others wanting to capitalize on this magnificent work of investigative literature.

Mean Justice Edward Humes 1999 Relates how dozens of citizens in a California town were convicted of offenses they did not commit by politicians and police determined to beat crime at any cost

MacClinton Sam Griffith 2016-04-01 MacClinton, a modern tale of Bill Clinton's political career told in the format of Shakespeare's Macbeth. This amusing drama is fleshed out with notes that detail Clinton's scandals and cover-ups. After reading it, you'll want to examine the character and actions of political candidates before voting for or against them.

Cowboy Justice Jim Goyer 1997 A look into a period in American history full of sweeping changes--an intensely personal account of the Old West as told by the memoirs of Jim Goyer, a Texas lawman.

John Marshall Jean Edward Smith 2014-03-10 A New York Times Notable Book of 1996 It was in tolling the death of Supreme Court Chief Justice John Marshall in 1835 that the Liberty Bell cracked, never to ring again. An apt symbol of the man who shaped both court and country, whose life "reads like an early history of the United States," as the Wall Street Journal noted, adding: Jean Edward Smith "does an excellent job of recounting the details of Marshall's life without missing the dramatic sweep of the history it encompassed." Working from primary sources, Jean Edward Smith has drawn an elegant portrait of a remarkable man. Lawyer, jurist, scholars; soldier, comrade, friend; and, most especially, lover of fine Madeira, good food, and animated table talk: the Marshall who emerges from these pages is noteworthy for his very human qualities as for his piercing intellect, and, perhaps most extraordinary, for his talents as a leader of men and a mold of consensus. A man of many parts, a true son of the Enlightenment, John Marshall did much for his country, and John Marshall: Definer of a Nation demonstrates this on every page.

PAINTED DREAMS ANN LANDRUM STOCKSTILL

Arbitrary Justice Angela J. Davis 2007-04-12 Inscribed on the walls of the United States Department of Justice are the lofty words: "The United States wins its point whenever justice is done its citizens in the courts." Yet what happens

when prosecutors, the most powerful officials in the criminal justice system, seek convictions instead of justice? Why are cases involving educated, well-to-do victims often prosecuted more vigorously than those involving poor, uneducated victims? Why do wealthy defendants frequently enjoy more lenient plea bargains than the disadvantaged? In this timely work, Angela J. Davis examines the expanding power of prosecutors, from mandatory minimum sentencing laws that enhance prosecutorial control over the outcome of cases to the increasing politicization of the office. Drawing on her dozen years of experience as a public defender, Davis demonstrates how the everyday, legal exercise of prosecutorial discretion is responsible for tremendous inequities in criminal justice. Davis uses powerful stories of individuals caught in the system to illustrate how the day-to-day practices and decisions of well-meaning prosecutors produce unfair and unequal treatment of both defendants and victims, often along race and class lines. These disparities are particularly evident in prosecutors' charging and plea-bargaining decisions and in their muddy relationships with victims. Prosecutors not only hold vast power, Davis argues, but they are also under-regulated and lack accountability. The current standards of practice for prosecutors are unenforceable, while the mechanisms that purport to hold prosecutors accountable are weak and ineffectual. Not only does lack of oversight result in injustices, it may even foster a climate tolerant of unfair practices and in some cases, misconduct. Offering a sensible agenda for comprehensive review and reform, Arbitrary Justice challenges the legal community and concerned citizens to pursue and enact meaningful standards of conduct and effective methods of accountability to help prosecutors serve their communities and the interests of justice.

Lectures on Justice, Police, Revenue and Arms Adam Smith 1896

Biennial Report of the Secretary of State Kansas. Secretary of State 1903

Laws of the State of Mississippi Mississippi 1878

Justice Delayed, Not Justice Denied Robert Smith 2016-08-03 The reason for writing my sister's story is to display my everlasting, ever-loving memories of Mary H. Smith. She was my second eldest female sibling. Her story is about how she was killed and how her crime was eventually solved after 23 years. As I wrote this story I relived the events of: How my parents reacted when they went to the morgue to view my sister's badly beaten body. How my niece Michelle Strickland, a Cook County Correctional officer, discovered the murderer, a felon by the name of "Escort", by processing his paperwork. How our neighbors processed Mary's death and consoled none of us. How my longtime friend from the neighborhood came to me with two pistols. One for each of us to exact revenge and how we learned later that our target had nothing to do with the crime.

The History of Marshall County, Iowa 1878 A scarce Iowa local history. Contains a history of the county, a business directory, and discussions of Le Grand, Timber Creek, Iowa, and Marietta Townships.

Coordinating the Criminal Justice System Leslie J. Smith 2007-11-12 This guide was developed to assist students, professors, executives of local criminal justice systems, and appointed and elected officials of general government to have a better understanding on how the criminal justice system should function. It may also be of special interest to citizens and public officials who sense that more collaboration and coordination is needed to enhance criminal justice decision making which, in turn, will have a positive impact on local criminal justice systems. Leslie J. Smith advocates that the performance of the criminal justice system should be measured in terms of achieving the goals and objectives of each component collectively. Although the legislative, judicial, and executive branches of the U.S. government are constitutionally independent and not required to engage in any coordinated planning activities, these requirements should not lead to poor performance. It is essential to promote positive government through increased collaboration by identifying philosophical principles that will promote the participation of citizens, law enforcement, judiciary, prosecution, corrections, victims, treatment providers, and educators in the development of strategies to prevent, reduce and control crime. There are approximately twenty states throughout the United States that have fostered criminal justice collaborations of this type. The key to accomplishing this objective is effective leadership. This approach is growing in popularity and this book will assist in the further development of this strategy. This guide provides a step-by-step strategy that simplifies the aforementioned issues. It will be especially advantageous for newly appointed criminal coordinators, planners, and others that are charged with creating a hands-on approach to coordinating their local criminal justice processes. Above all, as criminal justice presses forward to the future, the guide will assist in "bridging the gap" between traditional and contemporary approaches to criminal justice planning.

The Chief Joan Biskupic 2019-03-26 An incisive biography of the Supreme Court's enigmatic Chief Justice, taking us inside the momentous legal decisions of his tenure so far. John Roberts was named to the Supreme Court in 2005 claiming he would act as a neutral umpire in deciding cases. His critics argue he has been anything but, pointing to his conservative victories on voting rights and campaign finance. Yet he broke from orthodoxy in his decision to preserve Obamacare. How are we to understand the motives of the most powerful judge in the land? In The Chief, award-winning journalist Joan Biskupic contends that Roberts is torn between two, often divergent, priorities: to carry out a conservative agenda, and to protect the Court's image and his place in history. Biskupic shows how Roberts's dual commitments have fostered distrust among his colleagues, with major consequences for the law. Trenchant and authoritative, The Chief reveals the making of a justice and the drama on this nation's highest court.
