Close to Shore Michael Capuzzo 2001 As the idle rich thronged the palatial hotels of the Jersey

Shore in the summer of 1916, America was at its most self-confident. But the world's first industrial superpower was about to receive a series of terrifying shocks. Sharks, it was believed, were simply not man-eaters, so when a lone Great White shark, driven inshore by freak climatic conditions, began to develop a taste for human flesh, America went into total denial. Only after the most horrific attacks was the truth admitted - and an unprecedented national frenzy forced President Woodrow Wilson to mobilize the US Navy in an attempt to put nature back in its place. Combining biology, history and adventure, this is the first book on the events that pitted 20th-century technology against an ancient, mythic enemy and became the model for Peter Benchley's *Jaws*.

I Survived the Wellington Avalanche, 1910 (I Survived #22) Lauren Tarshis 2022-11 The Wellington snow slide of 1910 was--and still is--the deadliest avalanche in America's history. Lauren Tarshis's story of one child surviving the frozen nightmare pounds with page-turning action and heartwarming hope. The snow came down faster than train crews could clear the tracks, piling up in drifts 20 feet high. At the Wellington train depot in the Cascade Mountains, two trains sat stranded, blocked in by snow slides to the east and west. Some passengers braved the storm to hike off the mountain, but many had no choice but to wait out the storm. But the storm didn't stop. One day passed, then two, three . . . six days. The snow turned to rain. Then, just after

midnight on March 1, a lightning storm struck the mountain, sending a ten-foot-high wave of snow barreling down the mountain. The trains tumbled 150 feet. 96 people were dead. The Wellington avalanche forever changed railroad engineering.

New York Times bestselling author Lauren Tarshis tells the tale of one girl who survived, emerging from the snow forever changed herself.

[I Survived the Galveston Hurricane, 1900](#) (I

[Survived #21](#)) Lauren Tarshis 2021-09-07 More than a century later, the Galveston Hurricane of 1900 is still America's deadliest disaster. Lauren Tarshis's story of one child surviving the horrible event churns with page-turning action and bold hope. The city of Galveston, Texas, was booming. Perched on an island off the southern coast of Texas, Galveston had been founded in the 1830s. By 1900, it was Texas's richest and most important city. Boats loaded up with American cotton and wheat steamed from Galveston to countries around the world. Arriving ships were crowded with immigrants. The streets, paved with crushed oyster shells, sparkled like they'd been sprinkled with diamonds True, this glittering city was prone to flooding. But just a few years before, a weather forecaster had said the idea of a hurricane striking Galveston was absurd. So when a storm started brewing on September 8, 1900, no one believed it would be any worse than previous storms. They gathered on the beach to cheer on the wild waves. But what started as entertainment soon turned into a nightmare as those wild waves crashed into the city. By morning, hundreds of homes were destroyed. Eight thousand people were dead. The city had all but disappeared. In this thrilling installment of Lauren Tarshis's New York Times bestselling I Survived series, one child finds safety only to head back into the treacherous waters to make sure his neighbors are safe.

Close to Shore Michael Capuzzo 2002-06-25

Combining rich historical detail and a harrowing, pulse-pounding narrative, Close to Shore brilliantly re-creates the summer of 1916, when a rogue Great White shark attacked swimmers along the New Jersey shore, triggering mass hysteria and launching the most extensive shark hunt in history. In July 1916 a lone Great White left its usual deep-ocean habitat and headed in the direction of the New Jersey shoreline. There, near the towns of Beach Haven and Spring Lake--and, incredibly, a farming community eleven miles inland--the most ferocious and unpredictable of predators began a deadly rampage: the first shark attacks on swimmers in U.S. history. Capuzzo interweaves a vivid portrait of the era and meticulously drawn characters with chilling accounts of the shark's five attacks and the frenzied hunt that ensued. From the

unnerving inevitability of the first attack on the esteemed son of a prosperous Philadelphia physician to the spine-tingling moment when a farm boy swimming in Matawan Creek feels the sandpaper-like skin of the passing shark, *Close to Shore* is an undeniably gripping saga.

Heightening the drama are stories of the resulting panic in the citizenry, press and politicians, and of colorful personalities such as Herman Oelrichs, a flamboyant millionaire who made a bet that a shark was no match for a man (and set out to prove it); Museum of Natural History ichthyologist John Treadwell Nichols, faced with the challenge of stopping a mythic sea creature about which little was known; and, most memorable, the rogue Great White itself moving through a world that couldn't conceive of either its destructive power or its moral right to destroy. Scrupulously researched and superbly written, *Close to Shore* brings to life a breathtaking, pivotal moment in American history. Masterfully written and suffused with fascinating period detail and insights into the science and behavior of sharks, *Close to Shore* recounts a breathtaking, pivotal moment in American history with startling immediacy.
