Sharing personal encounters and real-life stories, Terence Lester calls us to see the invisible people around us through God's eyes, restoring their dignity and helping them flourish. And when we recognize our own inner spiritual poverty, we have greater empathy for others, no matter their circumstances.

The True Christians Love to the Unseen Christ Thomas Vincent 2013-03-12 The

essence of Christianity is love. God is love, said the Apostle John. Obedience to God's commands is nothing more than a manifestation of our love to God. The Ten Commandments show how we are to love God and one another. Love, then, is of the utmost importance in true biblical Christianity. In this book, first written in the 17th century, and out of print since 1812, Thomas Vincent, known for his lectures on the Shorter Catechism of the Westminster Confession of Faith, expounds 1 Peter 1:8, whom having not seen, ye love; in whom, though now ye see Him not, yet believing, ye rejoice with joy unspeakable, and full of glory. This is one of the most poignant, tender books ever to come from a Puritan pen.

The True Christian's Love to the Unseen Christ Thomas Vincent 2014-12-27

This is one of the most poignant books ever to come from a Puritan pen. Vincent wrote this priceless devotional based on 1 Peter 1:8, "Jesus Christ, whom having not seen, you love..." There is, of course, nothing more basic in Christianity than love to Christ. It is difficult to describe the passionate love for Christ that flows from every page of this treatment of the beauty of Christ. Here is a warm bath and spiritual encouragement for weary souls. "Our Savior sent an epistle from heaven to the church of Ephesus, wherein He reprov'd her because she had left her first love, and threatened the removal of her candlestick. He would take away her light--if she did not recover her love. By the same hand, at the same time, He sent another epistle to the church of Laodicea, wherein He reprov'd her lukewarmness, and threatened, because she was neither hot nor cold--that He would spew her out of His mouth, Revelation 2:45 and 3:15-16. And are professors in Britain under no such sin, in no such danger--when some scoff at the flames of love to Christ, like dogs that bark at the moon so far above them; when the most nominal professors are wholly strangers to this love? "The former looking upon it as but a fancy, the latter having it only in the theory and when, among those Christians who love Christ in sincerity, there are so few that know what it is to love Christ with fervor and ardency, when there is so general a decay of love to Christ in the land, Lord, what is likely to become of Britain! Have we not provoked the Lord to take away our candlestick? Have

we not provoked the Lord to suffer worse than Egyptian darkness to overspread us again, and cover our light because it shines with such cold beams, because the light of knowledge in the head, is accompanied with so little warmth of love to Christ in the hearts of most Christians? Everyone will fetch water to quench fire in a general conflagration, and surely there is need in a day of such general decay of love to Christ, that some such fetch fire from heaven, and use bellows too; arguments, I mean, to enkindle and blow up the spark of love to Christ which seems so ready to expire. "Reader, the following discourse of the true Christian's love to the unseen Christ, is not finely spun and woven with neatness of wit and language. It is not flourished and set off with a variety of metaphors, hyperboles, rhetorical elegancies, or poetical fancies and fragments. It is not adorned and fringed with the specious show of many marginal quotations, excerpted out of divers authors. The discourse is plain--but the author has endeavored that it might be warm; his design being more to advance his Master, than himself, in your esteem; and if he has less of your praise, so that his Lord may have more of your love--his great end is attained."

Gods Terrible Voice in the City! Thomas Vincent 2012-09-01 God's Terrible Voice in the City: wherein are set forth the sound of the voice, in a narration of the two dreadful judgments of plague and fire, inflicted upon the city of London. Thomas Vincent was a clergyman who had given a long and powerful sermon about the Great Plague and the Great Fire of London. He, like many others at the time, believed the fire was a punishment from God for Londoners' sins. He lists 25 sins in detail, such as religious

hypocrisy, lying, swearing, laziness, drunkenness, pride, gluttony, envy and lust. Coming so soon after the dreadful plague of 1665, which killed 100,000, the fire must have seemed a divine judgment. In God's Terrible Voice in the City, Vincent includes a dramatic account of the fire, which captures the atmosphere and terror of the event as well as some fascinating details.

The Unseen Realm Heiser, Michael S. 2015-09-01 In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John

Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" -- Tremper Longman III, Robert H.
